Induction Day

I assisted in the organisation and facilitation of induction day on the 16th of January.

Presidents’ Summit

I attended the National Union of Students Presidents’ Summit, at which I delivered an oral and a written report on FUSA, and had the opportunity to liaise with campus and national office bearers to prepare for NUS campaigns and initiatives to be conducted through 2014. The summit was held from the 22nd – 24th of January.

“Abbott and Pyne – hands off our education” campaign

I attended two organising meetings to plan the first national day of action (NDA) for this campaign. Areas organised include the plan for the NDA itself, advertising, development and delivery of promotional materials, approaching other groups for support, and organising the delivery of a welcome to country at the NDA.

Survival Day

I attended Survival/Invasion Day commemorations at Semaphore on the 26th of January to support the Aboriginal participants and to take a strong position against racism in Australia. The event was organised and supported by the National Aboriginal Cultural Institute, Tandanya and Kura Yerlo, and the Give Up Smokes for Good Campaign.
5.2 General Secretary’s Report

5 hours approx attending the induction day at flinders.
5 hours approx club correspondence organizing O’week stalls.
(I’d like to note that a lot of clubs and societies are requesting stalls – which I think can be attributed to Paul’s hard work as General Secretary last year.)

5.8 Welfare Officer’s Report

Food Bank

The idea of setting up a food bank for Flinders students has been floated and it is, I think, an excellent one. To that end, I’ve scheduled a meeting with Helen Laity, the FUSA Student Finance & Advocacy Officer, on Monday 3rd February (obviously, this meeting will have taken place by the time of the Student Council meeting). Helen has experience working with Foodbank and her knowledge of the logistics involved will no doubt prove useful. I’ve also submitted an agenda item for discussion of the idea and the outcome of the meeting with Helen.

Mental Health Day

Mental health is an often marginalised area of wellbeing and welfare. As such it’s important that FUSA and Student Council promote Mental Health Day/Week on campus to ensure that students are aware of the help and services which are available to them, and to raise awareness of the issue. Grace and I will be meeting later this month with Anne Hayes (Student Equal Opportunity Adviser) and Ben Smith (Counsellor) to discuss the preliminary organisation of Mental Health Day. I have also put forward a motion to ensure that funding is secured for the event.

University Hall Laundry Services

I’ve put forward a motion that FUSA recommend students living at the Hall no longer have to pay in order to use the on-site washing machines. This is a relatively small issue, but one which I believe is representative of a broader attitude towards students and a “user pays” mentality that Student Council should be dedicated to combatting.

Save Our Medicare Campaign

Jack Gracie, the NUS Welfare Officer, is organising a campaign against the government’s proposed $6 GP fee, to take place nationally during orientation events at universities. This fee is representative of broader attacks on social welfare by the federal government, and is something which will disproportionately affect those of lower socio-economic status, including students. Grace and I have had a meeting discussing this, and we both agree that the fee is something that FUSA and Student Council should be strongly committed to fighting, and that we should fully support this campaign. We will be having a meeting (probably over the phone) with Jack Gracie at some point in the near future to organise for O-Week regarding the campaign.
5.11 Postgraduate Officer Report – James Vigus

O’Day event for Postgraduate students.

“O’day for grown ups” event. Thursday March 6, 3pm Functions Room.

Orientation time is important for all students including our new postgraduate students. On a number of campuses this is recognised with O’week activity and events organized for postgraduate students. Postgraduate students are a growing part of the total amount of students nationally in the higher education sector and this pattern is the same at Flinders.

2014 is an important year for FUSA to relate to more sections of the student body at our university, so having a small event aimed at postgraduates on the main campus of Flinders is the first such a event to start this process and hopefully will became part of the FUSA calendar in future years.

I have consulted people who have been former Presidents and other elected positions in the country’s largest Postgraduate associations at Melbourne University and Sydney University about their O’day for grown up events.

The postgraduate FUSA event will be a chance for postgraduate students to network and meet other students as well as a chance for them to find out about FUSA and what we do and of course that we are their student association.

In other activity, I have spoken to and been in communication with a number of postgraduate representatives from across our university in a number of schools and faculties. Organising a committee and network are well underway and I must thank Kingsley Whittenbury for his assistance in this process.
5.13 Manager Student Engagement – Update – FEBRUARY 2014

2014 SSAF Allocation Process

The SSAF Budget proposal from FUSA and the Office of Student Engagement has been approved by the Vice Chancellor. This budget can be accessed on the Student Council Shared Drive.

FUSA Website

FUSA will soon have a new website. Over the last two months, the Media Officers have been working on the creation of a new FUSA website using WordPress. The new website will give FUSA a greater freedom to fulfil and promote the services run by FUSA throughout the year. As it currently stands, the existing website has both technical and aesthetic limitations that prevent us from achieving some of the key goals of FUSA’s online presence. The new website will enable more emphasis on mobile and smartphone access, it will streamline the process of purchasing items through the FUSA online store and will make it easier to sign up and become a member of FUSA.

The new website will have a larger emphasis on promoting clubs and societies at FUSA and also Student Assist, while also providing a major facelift to the appearance to the front end of the website. We are aiming to simplify the administration and back end of the website to ensure a more efficient process. There will be the ability to utilise more forms and online points of contact for students of Flinders to engage with FUSA. The new proposed website will facilitate this to a greater extent than that of the current.

It is anticipated that the Media Officers will be in a position to go live with the new website as of the week beginning the 3rd of February 2014.

Flinders One/FUSA Student Consultation Groups

Meeting times have now been set up for these groups to meet quarterly. Students will be recruited shortly and Student Council are required to choose representatives. Please see document as part of agenda for more information.

Student Council By-Election

Ordinary Council Member Dillon Weightman resigned from Student Council on the 14th of January.

Nominations have now opened for a By-Election to fill the vacancy and close at 3pm on the 10.2.14. The Election will be held between the

O’Week 2014
This year’s O’Week will run from the 24th of February to the 28th of February and the social program will be a joint initiative between Flinders One and FUSA. The major aim of O’Week this year is to combine all aspects of Flinders O’Week into one big event that has an entire university focus. Flinders One are the lead coordinator of O’Week and the FUSA Media Officers are coordinating the branding and design elements of the week.

In addition to this, FUSA is organising two major events during the week – The Moonlight Cinema on Monday night and the Scavenger Hunt that will take place every day of the week. In addition to our two main events, we will also be helping with the logistical running of the day to day events and providing equipment to facilitate these events.

As with every year, FUSA will be running a stall on The Plaza where we will be encouraging students to sign up and become a member of FUSA. This effort will be coordinated by the Student President. FUSA is contributing $30,000 to the cost of O’Week in Semester 1 (which has all been accounted for), leaving $20,000 to contribute towards Semester 2 ‘Refresher Week’.

**NUS Election**

The NUS Election was held from the 11th to the 13th of November 2013. At the close of the ballot for a position as a NUS Conference Delegate for a term from the 14th of November 2013 up until the beginning of the Annual FUSA Elections in 2014, the following candidates were elected:

- Brodie McGee
- Ella Keegan-Treloar
- Grace Hill
- William Menzies
- Dustin Platt
- Paul Harrison

**FUSA Staff**

The recruitment process for the position of Team Leader, Student Assist has now been completed. Congratulations to Vanesa Duran who was successful applicant. Vanesa began in the role as of the 25th of November.

Will Fisher will finish up in his role as Media Officer (Casual) during the week beginning the 3rd of February. I would like to thank Will for all of his hard work over the last 6-7 months. Will has been instrumental in shaping some of the policies around
events and equipment use and with the creation of the new website and other graphic design projects.

Given that the FUSA Expansion Proposal has now been approved and funding is available, I will begin recruiting new staff to fill the positions of:

- Team Leader, Student Experience and Development
- Events and Clubs Officer
- Student Experience Officers (Student Position)
- Research and Policy Officer (Student Position)

Buildings and Property have allowed for new space to accommodate our growing staff. This will be Shop 1 in The Mall.

**Student Amenities Project**

This project has now been referred to a Project Manager within Buildings and Property. SSAF Funds have been carried over into 2014.
6.1 Office Bearer Funding
Due to an error in the budgeting process last year, the amount budgeted for office bearer initiatives is only $20,000. The intention was to have $3,000 for each of the 12 Office Bearers. We must either divide this amount into $2,000 for each OB excluding President and Gen Sec, or into $1,666.66 for each OB.

Motion:

Motion that Student Council divide this amount into $2,000 for each OB excluding President and Gen Sec.

or

Motion that Student Council divide this amount into $1,666.66 for each OB.

6.2 Education Cuts
On Wednesday March 26th, a National Day of Action (NDA) is taking place around Australia as part of the "Abbott and Pyne, get your hands off our education" campaign, to demonstrate against the cuts to education funding announced last year, and the future changes hinted at since the Federal Election by the Education Minister, such as privatising HECS, removing SSAF, and expanded funding cuts. Without union action it is probable that these things will go ahead.

Motion:

Motion that the student council

1: Condemns cuts to education, specifically:
   a. The $2.3billion in education cuts proposed in 2013
   b. The Abbott Government's slated privatisation of HECS, removal of commonwealth supported places, defunding of student unions, and reducing funding to higher education

2: Supports the upcoming NDA, with all elected council members pledging to attend where practicable.

6.3 Bulk billed GP visits and Rally
The Liberal Government has launched an attack on public health care in proposing an up-
front fee on bulk billed GP visits. The proposal by the government's Commission of Audit lead by Abbott's former advisor Terry Barnes equates to a cut of $750 million over four years from the vital service. This attack on medicare comes in the context of the government's plans to partially privatise Medicare. The Abbott government have suggested the proposal by the Commission a possibility in 2014. It is important for student unions to take a stance on this issue which will so seriously impact students. A rally is called for the 25th of February outside Parliament House.

**Motion:**

Motion that Student Council condemns Terry Barnes proposed $5 fee on bulk billed GP visits. We recognise this as the latest incoming neoliberal attack by the Liberal Abbott Government, undermining the concept of public accessible health care, mostly affecting students, working class, and poorer people. Student council calls for more funding to the health care sector and the expansion of Bulk Billing services, and endorses the rally called. All elected OBs for 2014 will pledge to attend the rally on the 25th.

**6.4 FUSA NAB Bank Account Signatories**

**Motion:** I Motion that Student Council endorse the following:

**Current Signatories:**

Chris O’Grady (Manager, Student Engagement) or
Shaun Hobby (Office Coordinator)
And
Brodie McGee (Student President)
Or
Paul Harrison (General Secretary)

**As of January 1st 2014 the new signatories will be:**

Chris O’Grady (Manager, Student Engagement) or
Shaun Hobby (Office Coordinator)
And
Grace Hill (Student President)
Or
Roxana Henshaw (General Secretary)

6.5 Allocation of Student Council Representatives to Flinders One Student Consolation Groups (SCG’s)

Please see attached document. Student Council need to appoint two representatives to attend each of the three SCG’s.

Meetings are quarterly and to be held in the Meeting Room at FUSA (on the Plaza next to Subway) at the following times:

Meeting 1: Feb 20\textsuperscript{th} 9-12pm
Meeting 2: May 20\textsuperscript{th} 1-4pm
Meeting 3: Aug 12\textsuperscript{th} 1-4pm
Meeting 4: Oct 28\textsuperscript{th} 1-4pm

Campus Engagement SCG (9am for the first meeting and then 1pm thereafter)
Food & Beverage SCG (10am for the first meeting and then 2pm thereafter)
Sport and Fitness SCG (11am for the first meeting and then 3pm thereafter)

\textbf{Motion:} I motion that Student Council appoint ……&……. To the Campus Engagement SCG, ……&……. to the Food & Beverage SCG and……&……. to the Sports and Fitness SCG.

6.6 Mental Health Day

\textbf{6.6.1 President’s Proposal}

Mental Health events on campus last year were well received by students, and are especially important at a time when funding to universities is under threat, and proposed up-front fees to be charged to for visiting bulk-billing practitioners will hit students hard. Prevalence of mental health issues is strongly linked with poverty and social inequality, and the general and mental health resources available to the poorest in Australia are inadequate. Currently two thirds of students are living below the poverty line, and face wait times to see mental health specialists, particularly at stressful times of semester.

\textbf{Motion:}

Motion that student council allocate $1,500 to a Mental Health Day/Week event to be held on campus.
6.6.2 MSE’s proposal
Mental Health Day 2014

Mental Health Day is an initiative of Heath Counselling and Disability, where on the 30th of April, an event is held on the plaza with the aim of raising awareness of Mental Health issues, bringing in internal and external services, having giveaways, music, African drumming, massages etc.

Health Counselling and Disability are looking for $2,000 from FUSA to help fund the event as well as the contributions from interested Student Council members including the Welfare Officer. Vanesa Duran will be working with HC&D on this also.

This event was a huge success last year and given this and the benefit to students, I would support FUSA financially and otherwise supporting this event.

Motion: I motion that Student Council approve that $2,000 from the events budget of $100,000 is contributed to Mental Health Day 2014.

6.7 Market Day

Our Administrative Assistant, Jessi Tilbrook has a background in managing events and coordinated most of our ‘Band Days’ last year. I have asked Jessi to come up with a proposal for a weekly event on The Plaza where there are market stalls and music with a welfare focus i.e. free haircuts, massages, stationery etc.

The estimated cost to run the event weekly during semester weeks is $36,547. FUSA has $100,000 to spend on Events for the year

I believe that holding this weekly would be ideal but perhaps a huge undertaking to begin with. I would like Student Council to have a read through the proposal and discuss at the meeting. To allow planning to take place quickly and the event to begin as soon as possible once semester begins, I would like to pass a motion that allows FUSA staff to work in collaboration with the Social Activities Officer to begin planning for a regular market day. How regular this, will depend on staff resources and time.

Motion: I motion that Student Council approve that FUSA staff and the Social Activities Officer move forward with the planning of a ‘Market Day’; the regularity to be decided by FUSA staff based on resources available and that a budget of $36,547 is reserved for this event across the year until a more detailed and concrete budget and plan is created.

6.8 Equal Opportunity & Diversity Committee

The EO&DC is a University Committee that meets three times per year and will:
1. provide advice to the Vice-Chancellor on major policy matters and new initiatives in the areas of equal opportunity, affirmative action, student access and equity, diversity and inclusiveness;

2. receive reports in relation to the Workplace Gender Equality Act and Disability Action Plan and on the operation of the University's grievance procedures, and provide advice annually to the Vice-Chancellor on the reports;

3. propose the establishment of working parties as required; and

4. consider and report on matters referred to it from time to time by the Vice-Chancellor, Manager, Equal Opportunity and Diversity or Academic Senate.

The membership comprises of two students nominated by FUSA. Last year it was the Accessibility Officer and International Student Officer. The Student Council now need to nominate two students.

**Motion:** I motion that Student Council nominate .................. & ..................as the two FUSA representatives on the Equal Opportunity & Diversity Committee

### 6.9 Honorariums for Student Council 2013

Due to not holding a Student Council meeting in December (further explained in agenda item 6.14) student council and the Edid not receive their honorariums for a couple of months at the end of last year, most people’s honorariums being approved by the Executive.

**Motion:**

I motion that we approve the following people’s honorariums for November and December 2013:

- The General Secretary
- Education Officer
- Women’s Officer
- Environment Officer
- International Officer
- Social Activates Officer; and
• Ordinary Council Members:
  o Nadira, Will, Tim and Roxy.

6.10 ET Editors Issue 10 Honorariums

As a result of student council not meeting the ET editors were not paid for issue 10.

Motion: All three ET editors receive their honorarium for issue 10 of ET magazine.

6.11 KPI Document

Motion: I move that the honorarium KPI document be moved into regulation in the following form:

1. Required Hours Per Week

   • General Secretary: 10 hours per week (1 position)
   • Office Bearers: 3 hours per week (10 positions)
   • Ordinary Council: 2 hours per week (6 positions)

2. Key Performance Indicators

1. The following KPIs apply to all Office Bearers and Ordinary Council Members.
   i. Attend meetings and provide a report on their actions; and
   ii. Attend committee work as required, such as the executive committee; and
   iii. Complete other actions as assigned to them by council

2. The following KPIs apply to all Office Bearers and the General Secretary.
   i. Submit an Office Bearer report outlining relevant portfolio activities each month.

3. The Council may accept the equivalent workload of a section KPI in lieu of a specific KPI measure being fulfilled.

4. The Council may take into consideration extenuating circumstances and any other relevant considerations when determining whether KPI requirements have been fulfilled.
3. On-Going Performance Review

The executive will meet monthly to review the ongoing performance of each Council Member and will consider whether each Council Member has completed the required KPIs. Each Council Member will be asked no less than three days before the commencement of the executive meeting to provide a short summary of the work completed in the previous month. This document may be an OB report, or any other relevant form.

The Executive will come to a decision as to whether the KPIs have been met or not based upon the summary provided by the Council Member and any other relevant materials.

For all Council Members that have been approved by the Executive, this will go to the Council for ratification in a manner in which the Council sees fit. If Council does not vote in favour, it will go to discussion.

Any Office Bearer that the Executive do not approve will be notified and given the chance to provide additional documentation reflecting their work, and that Office Bearer’s report will go to Council for discussion and vote.

If they have not made up their expected hours they may be paid pro-rata for the hours they have completed or they may be paid in full on the proviso that they intend to complete the owing hours within the next two reporting periods and write an action plan on how they intend to.

If they do not make up their expected hours within those two reporting periods, any owing hours will be deducted from the next honorarium.

If they work over the expected hours they will receive nothing extra but their hours may be carried over to the next month.

6.12 Executive Committee Recommendations (2013)

An Executive meeting was held at 9:19am until 9:52am on Tuesday 26th November to consider the renewal of the Code 360 website contract and the possibility of establishing a new FUSA website.

The executive consider a presentation given by Stephanie Walker regarding the pros and cons of the current website system and pros and cons with a proposed word press based website.

The Executive committee passed the following motion:
Motion that the website contract with Code360 is not renewed for the 2014 year and that a new website is developed by FUSA to be released in Q1 2014. For the interim period, it may be renewed on a month-by-month basis.

The following has been submitted by Will Fisher:

The proposed new website will hopefully give us a greater freedom to fulfill and promote the services run by FUSA throughout the year. As it currently stands the existing website has both technical and aesthetic limitations that prevent us from achieving some of the key goals of FUSA’s online presence. The new website will give much more emphasis to mobile and smartphone access, it will streamline the process of purchasing items through the FUSA online store and will make it easier to sign up and become a member of FUSA.

The new website will have a big emphasis of promoting clubs and societies at FUSA and also the growing Student Assist department, while also giving a major facelift to the appearance of the front end of the website. We’ll also be striving to simplify the administration and back end of the website to make the internal staff run side of FUSA’s website a more efficient process.

In 2014 we hope to have the ability to run more forms and online points of contact for students of Flinders to engage with FUSA, the new proposed website will facilitate this to a greater extent than that of the current.

**Motion:** That Student Council ratifies the decision of the Executive Committee in accordance with clause 12.3 of the Constitution.

2. Purpose

2-1. The purpose of the club is to foster a spirit of inclusive community from a social and professional perspective.

by:

- Organising social and professional activities
- Adopting all-inclusive policies
- Acting as student advocates

**Motion:** I motion that Flinders University Social Work Society be financially affiliated.

6.14 Compulsory Council Induction for new members

Joining student council part way through the year can be a daunting experience and it can be difficult for new members to understand their roles and responsibilities on council.

**Motion:** that all student council members elected in a by-election must attend an induction, no later than two academic weeks after their election, with either the President or General Secretary and Manager for student engagement. He or she should also be provided with any documents, information, items or any other such materials that student council, as elected at the end of the previous year, were provided at their induction.

6.15 Interpretation of a leave of absence

Last year, due to exceptional circumstances, the council chose to interpret that an apology may be effectively considered a leave of absence. However, a leave of absence requires formal approval by council, while an apology must be formally objected to at the beginning of a meeting, when the person who has made the apology cannot defend themselves, in order to be denied.

Due to this interpretation of leave of absence several meetings of the student council lapsed as a result of not reaching quorum.
Motion: I motion that an apology, tabled in an agenda or not and accepted at a Student Council meeting or not, no longer be considered a leave of absence.

6.16 Liaison for ET

A liaison officer needs to be appointed to assist the editors of ET in running the magazine and to report back to council.

Motion: I motion that …….. be appointed FUSA’s liaison officer with ET.

6.17 Members of the Executive

S 12.4 of FUSA’s Constitution states that the Executive must include the President, General Secretary, Education Officer and two voting members of Student Council elected by the Student Council.

Motion: I motion that …….. and …………. be appointed by electoral vote of the council members of the Executive Committee.

6.18 Raising student’s awareness about health and counselling facilities at Flinders - Recommendation

Flinders University Students Association recognises the importance of student access to medical facilities. We recognise that many students live on a limited budget and may not have regular or easy access to health and counselling services off campus. We note that mental health is of particular concern for many students. The Flinders Student Association, therefore, believes Flinders ought to implement more effective publicity to raise awareness about the university’s health and counselling services, available on campus.

The Flinders University Student Association recommends:

• The university develop an improved health and counselling video – focussing on the core demographic rather than, what appears to be, retainment of risk groups. (The current video may be viewed from [http://www.youtube.com/watch?v=oEMbg3iEiLo&feature=youtu.be](http://www.youtube.com/watch?v=oEMbg3iEiLo&feature=youtu.be)).

• The video ought to describe what the health and counselling services available at Flinders are (including the medical and counselling staff’s relevant qualifications).

• The video ought to emphasise that health services are bulk-billed and that counselling is free.
• The video ought to inform students exactly how they can access health and counselling services and where these services are located.

That this new video be shown at the beginning of the first lecture of every topic, or at least all first year topics, each semester, starting semester 1, 2014.

**Motion:** I motion that student council adopts the recommendations on raising student’s awareness about health and counselling services at Flinders.

### 6.19 Raising student’s awareness about upcoming Flinders University Student Association Events – Recommendation.

Flinders University Students Association recognises the importance of uni-life and campus-culture to students. We believe that engagement in extra-curricular activities on campus helps students engage more with their university and, therefore, with their studies. We also note the link between a balance of work and recreation, and strong mental health. Flinders University Student Association has worked hard to improve uni-life and campus culture at Flinders. We acknowledge and appreciate the University’s continued support, helping us achieve these goals.

In forwarding these goals Flinders University Students Association requests:

• Flinders format university computers to display Flinders University Student’s Association’s (apolitical) up-coming event advertisements as the home screens and screensavers.

• Flinders display such advertisements during the ten-minute break in two-hour lectures or whenever the projectors remain switched on between lectures. (Flinders University Student’s Association does not advocate that projectors be left on when not being used in lectures).

**Motion:** I motion that student council adopts the recommendations on publicising upcoming Flinders University Student Association events.

### 6.20-6.23 Regulation Changes

Last year Paul Harrison, previous General Secretary, undertook a review into the FUSA regulations. After discussions with Paul and going through the amendments myself I motion the following:

**Motion:** I motion that the proposed changes to the Standing Orders are accepted by
Student Council.

**Motion:** I motion that the proposed changes to the Election Regulations are accepted by Student Council.

**Motion:** I motion that the proposed changes to the Standing Committees of Student Council Regulations are accepted by Student Council.

**Motion:** I motion that the proposed changes to the Clubs and Society Regulations are accepted by Student Council.

### 6.24 Student Council Roles and Duties:

Currently, the regulations for Office Bearer Roles & Duties and the Ordinary Council Member Roles & Duties are two separate sets of regulations. For the sake of administrative efficiency, I propose that these two sets of regulations be combined into Student Members Council Roles and Duties Regulations.

**Motion:** I motion that the Office Bearer Roles & Duties Regulations and the Ordinary Council Member Roles & Duties Regulations be combined into a single set of regulations called "Student Council Members Roles and Duties".

### 6.25 Club certificates

It has been queried by Anirudh Sharma of the Indian Association whether or not FUSA could provide certificates of appreciation to their club executive members for their service to the club as well as campus life over the course of the 2013 year.

I would like to offer the opportunity for all executive members of each affiliated club or society to be offered a certificate of appreciation from FUSA and Flinders University (under the Office of Student Engagement).

The cost of producing these certificates should be minimal as it only requires high-quality paper to be purchased. The absolute maximum number of pages required is 176.

**Motion:** I motion that the Student Council provisionally approves expenditure on paper to produce certificates of appreciation for affiliated Club and Society executive members. The approval is provisional on sending through pricing to Student Council with at least 24 hours notice.

### 6.26 Funding For O’Day for Grown Ups Event

Funding For O’Day for Grown Ups Event is an orientation type event for postgraduate
students and family/friends - an afternoon tea/coffee event where postgraduates can find out about what FUSA is, what we do in terms of representation and services and chance to meet/network as well.

**Motion:** That the student council approves $200 for the postgraduate officer to use for 'O Day for grown ups event on Thursday March 6.

### 6.27 FlindersOne EFTPOS

Having a $10 minimum for food and beverages is ridiculous as a single purchase of lunch or coffee (even a combination of the two) should not and do not add up to $10.

**Motion:** FUSA recommends that FlindersOne removes minimum spending amounts off their eftpos services.

### 6.28 Laundry Services for University Hall Students

Students living at the Hall are required to pay in order to use the washing machines. Given the substantial fees that Hall residents are already paying, this seems ridiculous.

**Motion:** I motion that FUSA recommends this be changed and that Hall residents be able to use the washing machines for free.

### 7. Matters for Noting

#### 7.1 Honorariums

Ongoing funding of Student Council Honorariums has been secured at the following rates:

Student President: $28,500 pa

General Secretary: $10,000 pa

Office Bearers: $3,000 pa (including the two new Office Bearers: Abilities Officer and the Social Activities Officer)

Ordinary Council Members: $2,000 pa

There was a request submitted last year for a modest increase to the Student President’s Honorarium from $26,200 to $28,500. This is in light of the extra meetings and committee’s that the Student President was invited to be involved in during 2013.

The request for increases to the following:
General Secretary (from $10,000 to $15,000)
Office Bearers (from $3,000 to $4,000)
Ordinary Council Members (from $2,000 to $3,000)

have not been approved due to a case not being put forward as of yet.

If the Student Council believe that Honorariums should increase to amounts as above or an alternative to this, then a proposal, arguing the case, should be forwarded to the Manager, Student Engagement for consideration and endorsement. A final decision on this will be made by the DVC(A).

8.2 Regulations for ET

At the end of last year Steph and the former editors requested that Regulations including a KPI document be formally drawn up and approved by student council. This will be a job for the ET Liaison officer.

9. Matters for Discussion

9.1 Event Calendar for Semester 1

Last year student council released a semester event calendar for students. It would be fantastic if we could organise one for semester one this year. If possible, I’d like all office bearers to organise at least one event on campus for students under their portfolio that we can put on the calendar – eg Idaho day last year or.

9.2 Possibility of a FUSA Food Bank initiative

Will Menzies made the suggestion of looking into creating a food bank for students at the university. Given the abysmal rates of student poverty and the fact that a substantial portion of students are forced to skip meals due to this, I think this is an excellent idea. I’d like to discuss the feasibility of this project with regard to funding, admin resources, and storage space.

9.3 Student Welfare Breakfasts

I’d certainly like to continue the provision of welfare breakfasts to students as was done last year, and would like to discuss the logistics of organising them and possibly expanding them, if funding/resources permit.
9.4 Student Council Attendance at O’Week FUSA Presentations

During O’Week, many Schools and other groups across the University request short presentations from FUSA to tell new students about what FUSA can offer in the way of representation, services, events etc.

Vanesa Duran, the Team Leader is putting together a list of all these presentations. A staff member of Student Assist will attend these to discuss the services available and we would also like to have a member of Student Council to present to new students the other side of FUSA: representation, clubs, events etc.

Vanesa will forward a schedule to Grace to organise as many of you that would like to present.

1.0 Introduction

Market Day is a new incentive proposed by FUSA staff, to enhance the students out of class experience and to further contribute to the universities sense of togetherness and community. It will happen on a weekly basis, combining both student and non-student contributions to the event.

Every week, the main campus plaza will play host to a variety of markets, put on by both students and small businesses who may or may not be involved in other markets around Adelaide such as Gilles Street Markets, Adelaide night markets etc.

To add to the atmosphere that we aim to create, each week there will be one or two acoustic musicians providing entertainment for the duration of the event. It is with full intention that we will firstly offer the opportunity to Flinders students who are musical, and then to outside musicians.

FUSA anticipates this new event could cost up to $30 000. For a full estimated break down please see page 4.

2.0 Fundamental aspects of Market Day

Proposed date and frequency: Weekly, alternating between Tuesdays for one month and then Thursdays for the other month

Where: Main campus plaza

Roles:
- Event co-ordinator/On site event manager Office Coordinator/Admin Assistant
- Casual positions for PA set up, stall set up, BBQ staff
- Media Officer

As per advice form Admissions, Tuesdays are the busiest day on campus followed closely by Mondays and Thursdays.

There will always be a selection of markets and an acoustic performer.

Across the 4-5 Market Days that are held each month, there will be a rotating system where each initiative occurs once a month, explained in further detail in 3.0 (page 3).

1. Free haircuts
2. Free stationary
3. Free massages
4. Free lunch and live entertainment (Band and BBQ)
3.0 Initiatives for Market Day

Below are four proposed initiatives to coincide with Market Day each week. They will run on rotation, so they each only occur once a month, but one of them will be in place each week. All four initiatives are elements or things that are fundamental in every student’s life, but will be offered to them as a novelty free service.

3.1 Free haircuts to students

FUSA offer students free haircuts once a month at market day.

FUSA will negotiate with a group of freelance hairdressers and pay them an agreed wage to operate their business on campus for the duration of Market Day (11.30am – 2pm: 2.5 hours).

This won’t be anything fancy. No shampoos/conditioners/blow-dry – just a regular trim.

If each haircut were completed in approx. 10 minutes, then the hairdresser should be able to complete 6 in an hour, and 15 in total for the day. We propose employing up to 4 trained hairdressers each month to achieve 60 free haircuts.

The hair dressing salon should be able and happy to bring at least two hairdressers on to the campus, perhaps one for men’s cuts and one for women’s cuts.

In order to ensure that as many students are receiving the free service as possible, students will not be able to request anything extravagant, it will only be a basic trim. (No hair dying, washing, blow drying, styling).

3.2 Free stationary to students

FUSA offer a limited supply of free stationary to students once a month at market day.

We will employ a casual to pack the bags with stationary the day before the event and to then hand them out at a stall on the event day.

FUSA can determine a budget that allows them to purchase items such as the below list to compile into care packages that can be given to students. It will work on a first come first serve basis.

- Exercise books
- Folders
- Pens/Pencils
- Rulers
- Erasers
- Highlighters
- Calculators
- Pencil Cases
3.3 Free massages to students

Much like the free hair cut initiative, FUSA propose to sub-contract/temporarily employ up to 4 trained masseuses to provide head, neck and shoulder massages to students for a duration of 5 minutes from the hours of 11.30am – 2pm.

Without considering that the masseuses may need a short break, we estimate that roughly each masseuse could do 30 massages in that time, so 90-120 massages in total depending on how many staff we bring on to campus.

It is suggested we look at employing self-employed masseuses, so as to avoid disrupting a business’s normal day of trade, if four of them were off site all at the same time.

3.4 Free lunch and live entertainment

The final proposed initiative is one that FUSA have already co-ordinated many times throughout 2013, but was originally known as Band Day.

We propose a full band, who is reputable and local to Adelaide (and have at least one Flinders Student in the band) to perform over the lunch period, while we employ casuals to serve a free lunch BBQ to students. A procedure is already in place from 2013 on how to administer the day.

4.0 How would the markets be organised/How many staff needed to run it

Several databases will be compiled prior to the start of semester one.

One for stall holders (both students and non-students), one for musicians, and one for contacts relating to the four initiatives.

In order to be included on these databases, the event co-ordinators will make contact with varied people and businesses to find out if they wish to be involved with the event, and will then be contacted at a later date to arrange their involvement.

Event co-ordinators will work with the Manager OSE to develop contracts, arranging financials, etc.

Paul Harrison and another casual who are formally trained in the setup of the in house PA system will be the ones to set up the PA system each week for acoustic artists and for full bands which will occur once a month FUSA will employ a sound engineer from Novatech.

The Media Officer will assist with all marketing and promotion.

Jessi Tilbrook and the Social Activities Officer will coordinate the setup and organisational logistics of the event and on the day, with the assistance of Shaun Hobby.
5.0 Budget
There is $100,000 in the FUSA budget that is allocated to events for 2014. We estimate roughly $36,547.00 of this will go solely to Market Day of 2014. Please see below for a very rough breakdown of expenses per week, and a total for the year.

There are 14 weeks in semester one and 13 weeks in semester two with a TOTAL of 27 weeks.

FLINDERS ONE / FLINDERS UNIVERSITY STUDENT ASSOCIATION
CONSULTATION FRAMEWORK

BACKGROUND

Key Strategy 3: Enhancing the Student Experience of the University's Strategic Plan, commits the University to creating an out-of-classroom environment that delivers a positive and vibrant experience for students. The University values the voice that students contribute to its decision-making and is committed to working with student representatives to enhance opportunities for effective student participation and advocacy.

Flinders University Student Association (FUSA) is the official student body responsible for representing the views and interests of students.

The objects of Flinders Campus Community Services (FCCS) as stated in the Rules are to: ‘...provide a range of facilities and services, including in particular food and beverage, sport and fitness, and related services to Students and the University Community.’

FCCS provides important services and amenities for students on campus and it is crucial that student representatives have a consultation mechanism in place around service delivery, which is both regular and ongoing.

Section 13 of the Rules for FCCS states that a formal consultation framework must be established:

13. STUDENT CONSULTATION

13.1 The Board must establish a framework for regular consultation between the Association, the Manager, Student Engagement and the Student Council, as agreed between the parties from time to time, to seek the views of elected student representatives on the services that the Association is delivering or plans to deliver.

CONSULTATION FRAMEWORK

The Manager, Student Engagement (MSE) is responsible for ensuring open and effective communication and liaison between the University, FCCS and students. A range of consultation mechanisms are recommended to ensure that this is achieved and are outlined below:

<table>

</tbody>
</table>
**Strategic**
The MSE may attend FCCS Board meetings as an observer. Throughout the year on a strategic level, the MSE will be able to table and explore issues around commercial and service delivery issues with regard to the operations of FCCS. The General Manager (GM) of FCCS would follow up and report to the Board on any matters requested.

The MSE could request that the Board invite the Student President or delegate to attend a Board meeting to discuss any specific issues where it is advised by the MSE that it is more appropriate that the Board hears directly from a student representative.

**Management**
At a management level, the FCCS GM and the MSE will meet monthly to discuss management and operational matters and share common issues between the organisations around activities, clubs and any other relevant matters such as food and beverage services and sport and fitness.

The MSE will attend FCCS Management Team meetings every Quarter. The purpose of this is to raise any operational issues with current, new or proposed services. The MSE could invite the Student President or delegate to attend the Management meeting to discuss any specific issues where it is regarded by the MSE that it is more appropriate that the FCCS Management Team hear directly from a student representative.

Key FCCS management staff will be invited to attend Student Council meetings on a quarterly basis to discuss any relevant issues with regard to FCCS service delivery. This will also provide the opportunity for direct dialogue between FCCS and the Student Council with regard to common areas such as student events and activities.

**Planning**
Planning would be conducted annually with a view that this would be pre Budget so that any service delivery changes would be factored in to the drafting of the FCCS and FUSA/Office of Student Engagement Budget. As a result of regular Management meetings and feedback from Student Consultation Groups (please see below), current FCCS provided services may require modifications or cancellation, and these can be discussed at an operational level.

Items for discussion:
- Student Services and Amenities Fee (SSAF) requests, allocations and joint proposals
- Current and new services would be discussed and planned

**STUDENT CONSULTATION GROUPS (SCG)**

These four groups will consist of key FCCS Management and staff; 6 students: 2 student representatives from Student Council (as selected by Student Council) and 4 Flinders University students. Once approved, Terms of Reference will then be established. These meetings are formal, with a chair and minute taker.

**O'WEEK STUDENT ADVISORY GROUP (OSAG)**

Membership:
- Staff Member of Transition Office (Convenor)
- FCCS Activities Coordinator
- FUSA Media Officer (in lieu of Events Coordinator)
- Two FUSA Student Representatives: General Secretary and Social Activities Officer
• Two students from Flinders Living
• Four students recruited from the general student population

Regular of Meetings:
O’SAG will meet regularly from their appointment (for one year) in August/September throughout the year, depending on need as dictated by the demands of developing Semester 1 and 2 Orientation programs.

Focus:
• to design and develop an orientation program of events and activities that will engage all students, which includes the overarching theme, quantity and variety of events and activities on offer.

• O’SAG is accountable to the Transition Office through O’WAG and the O’Week Events and Activities Management Group (OEAMG). It is expected to work collaboratively with key University stakeholders, O’WAG, Flinders One and FUSA staff, and OEAMG to ensure effective design and implementation of events

8 Conduct of the Ballot

8.1 For the purpose of elections a ballot will normally be conducted electronically using a computer software package approved by the Student Council.

8.2 The electronic election system will use a computer program that transfers individual votes into a count or election tally. The characteristics of the electronic system and the methodology to be adopted will be as follows:

- each voter must express a first preference to cast a formal vote;
- duplicate preferences and preferences following interruption in the sequence of a ranking will be deemed informal;
• a quota will be calculated as required for proportional representation using the Droop formula;
• surplus votes of elected candidates will be transferred according to a voter’s optional preferences;
• the value of surplus votes will be calculated with each vote having a fractional value;
• the remaining candidate with the lowest number of votes will be eliminated and the votes will be re-distributed according to voter preferences;
• a tie will be broken by random selection by the computer.

8.3 If it is not practicable to conduct an electronic election for any given election, for that election the ballot will be conducted using a manual election process consistent with Clause 8.2

9 Election Web Site and election material

9.1 Under the supervision of the Returning Officer, an election web site will be constructed and managed by the responsible officer in the Information Technology Services, to provide information to voters and to operate as a ‘virtual polling booth’.

9.2 The election web site will provide voters with access to nomination forms, candidate statements, electronic ballot forms and instructions on how to cast a vote.

9.3 The Returning Officer will be responsible for authorising all information relating to the election that is to be posted on the web site or emailed to voters, including the nomination form, the closing date for nominations, the names of candidates, the statements of candidates, and voting instructions.

9.4 It is mandatory to submit a candidate statement, which is limited to 300 words. This must be submitted to the Returning Officer via email at least 48 hours before the opening of the election.

9.5 All election material, including but not limited to leaflets, posters, t-shirts, websites (including social media pages) to be utilised by candidates or teams of candidates must be submitted to the Returning Officer for authorisation. The Returning Officer may, at their discretion, decline to authorise any election material if in the opinion of the Returning Officer it is inappropriate.

9.6 Election material must be submitted to the Returning Officer at least 48 hours before the opening of the election. After 48 hours only alterations of previously approved material are allowed to be re-submitted.
9.7 Any candidate or team of candidates that publishes, displays or distributes any inappropriate material will be required to remove the material in question by the Returning Officer and issue a retraction if appropriate. Any candidate or team of candidates that is found to breach this may receive a warning or be immediately disqualified.

9.8 No candidate or team of candidates is to engage in coercion or intimidation of voters.

9.9 Display of materials, excluding banners, are not permitted unless they are on the concrete bollards on the plaza or on general notice boards. Banner location must be approved by the Returning Officer.

9.10 Display or distribution of election material is not allowed in any computer labs, tutorial rooms, lecture theatres, the library or any eating or drinking areas.

9.11 Candidates are not allowed to offer food, beverage or other items outside of approved promotional material to students as part of their campaign.

9.12 Candidates or Teams of candidates are not allowed to use the Association’s resources, including but not limited to photocopiers and stationery for electoral campaigning.

9.13 The use of mailing lists obtained through the Association, Clubs or Societies or Student Representative Networks is not permitted for distributing election material or promotion.

10 Election Procedure

10.1 The Returning Officer will determine the eligibility of voters, candidates, nominators and seconders in accordance with the University’s official student records. The Returning Officer’s ruling on such eligibility will be final.

10.2 The Returning Officer will request that an electronic electoral roll for the relevant electorate be generated from the Student Records System, together with an email address for each individual on the electoral roll.

10.3 The Returning Officer will, not less than twenty-eight calendar days before any election, notify each student of the election and invite nominations, normally by way of an email notification to all members of the electorate.

10.4 Nominations for election will be lodged with the Returning Officer by a time to be nominated by the Returning Officer on the fourteenth calendar day after the opening of nominations. Each nomination must be in writing on paper from an eligible student giving his or her signed consent to the nomination, and bearing the signature of a nominator and a seconder who must also be students.
10.5 If upon the closing of nominations the number of candidates does not exceed the number of positions to be filled, the Returning Officer will declare such candidate or candidates elected. If the number of candidates exceeds the number of positions to be filled, the Returning Officer will arrange for electronic notification to be sent to each student, and electronic access to be given to:

- a ballot form;
- instructions concerning the method of voting and the return of the ballot using the electronic voting procedure.

10.6 For each election, the order of the candidates’ names appearing on the ballot form shall be determined by random selection, under the supervision of the Returning Officer and in the presence of the scrutineers.

10.7 Each student who wishes to record a vote shall lodge his or her ballot form before the close of elections, in accordance with the electronic lodgement process instructions provided to voters.

10.8 Voting shall be open for a period of at least three (3) academic days.

10.9 In accordance with Section 19 of the Constitution, where a referendum is being conducted at the same time as an election, the Returning Office must ensure that at least ten (10) academic days notice of the dates and times of voting for the referendum and the question or questions to be put are given to students.

11. **Electronic Vote Counting**

11.1 At each election, votes shall be counted electronically by computer. The scrutineers will be provided with information about the electronic counting process and will be informed of the outcome of the count.

11.2 Only the ballots of valid voters will be included in the count. Voter validation will be achieved by using two personal identifiers (e.g. - his or her allocated student number and email address) to log into the voting site.

11.3 Each voter may vote once only. Voters must place the number 1 against a candidate’s name to cast a formal vote, and may list the other candidates in order of preference. Voters may cast an informal vote if they wish to, but to ensure that this is not done unwittingly, they will be alerted when they create a ballot that will be informal.

11.4 A computer file will directly record the vote and it will not be possible to link the voter to the vote. Votes will be recorded in the file in order of polling in accordance with the code
so as to show all selections made. Following validation of the voter, identifying information will automatically be removed from the cast ballot to ensure voter anonymity and privacy. Once a voter logs off the web site the ballot will be permanently cast and cannot be altered.

11.5 Prior to the poll closing, the Returning Officer may authorise the addition to the electoral roll of the name of an eligible voter, who for technical or other reasons, was not included in the roll or was unable to vote on the web site. No postal ballots will be provided for.

11.6 After the poll closes, the ballot file will be subjected to the tally program, under the supervision of a responsible officer from the Information Technology Services. There will be no manual entry of data from one file to another.

11.7 In the event that polling is interrupted by a temporary breakdown or temporary unavailability of the server, there will be no extension of the polling period, except if the interruption occurs on the final day. In the latter event, the polling period will be extended to 6.00 pm on the next academic day. Where a serious breakdown occurs, the Returning Officer will seek from the Student Council approval to arrange for the whole or part of the election process to be run again either electronically or manually.

11.8 The system will be auditable and will be subject, as appropriate, to scrutiny by the Returning Officer and scrutineers.

11.9 At the request of the Returning Officer, hard copy reports will be produced at each step in the electronic voting process to enable the Returning Officer and scrutineers to monitor the accuracy of the roll, the balloting data and the count, and to enable the reports to be reconciled to ensure that all ballots are accounted for.

12 Election Results

12.1 At the completion of the tally, the tally reports will be forwarded to the Returning Officer, who will review the reports and then declare the result of the election.

12.2 As soon as possible after the counting of votes has been completed the Returning Officer shall declare and notify students of the result of the election.

12.3 The Returning Officer shall also inform the candidates of the result of the election, and on request, will inform each candidate in confidence of the number of votes cast for each candidate in the election.
