General Manager’s Report

The General Manager, Andrew Nairn addressed the Student Council.

2011 results for Flinders One finished with a Deficit $22700 with a Budget $53600.
Thanks to students supporting Flinders One.
O’Week coming up which will be an exciting week with giveaways, students bands, Dj and
many stall holders. Looking forward to a fun week.

SSF – GM is pushing the University to get together on what is happening. The University
doesn’t have an answer on what they are using SSF for. The University has approached GM
on costing for food discounts. GM has also advised the University where money could be
spent.

Review of Flinders One- there has been clear statements about the Student Association but
not Flinders One as yet. The VC sent a letter stating staff have a future. VC put forward
some questions requesting a response from the GM.

The questions were:
   -Identification commercial/non commercial services
   -FCCS staff impacted by the split
   -Ideas for new services
Correspondance of the changes have only been via email. GM has not had a meeting with the University. Flinders One constitution will change very quickly, there will be legal implications with this.

‘SRC’ will replace Student Council.

Student Council members are unhappy with this, advised by GM to take things professionally at this stage.

4. Office Bearer Reports

a. President Report

Nus National Conference
SP attended in December 2011. Spoke to other SP’s from other Universities across Australia, seeking advice about the restructuring of Flinders One and the student council. It was strongly advised that the student body be incorporated and that it must be student run in order to be eligible to affiliate to NUS.

Flinders One Review
SP along with the Flinders One board are in ongoing discussions regarding the structure of the new Student Representative body and the restructuring of Flinders One.

Renaming both QO and QS
QO requesting that Student Council consider changing the name of the Queer Officer to the Sexuality Officer. Sexuality is diverse, non confrontational term that is inter-usable between issues of sex, gender and attracted-ness. Also Queer space to be renamed the Diversity Space.
