Link the ATO to your myGov account

Create a myGov account

You can create an account at my.gov.au, using either your:

- Digital ID, such as myID (formerly myGovID)
- email address.

How to sign in

Sign in to your myGov account using your:

- Digital ID, such as myID (formerly myGovID)
- passkey (face or fingerprint recognition, PIN or security key)
- username or email address and password, with a code by SMS or the myGov Code Generator app.

Link the ATO

Link the ATO to your myGov account in 4 steps:

1. Sign in to your myGov account.
2. Go to **View and link services**, and link to the Australian Taxation Office.
3. Enter or confirm your personal details.
4. Answer 2 questions about your tax record.

What if I can't link?

If you're unable to link, phone us to get a unique linking code.

We will ask you questions to check your identity.

This is to protect the privacy of your account.

Remember you can also call the Indigenous helpline on **13 10 30** if you get stuck.
